Dear Mr. Jense:

Re: Timeliness of Submittals, Utah Power and Light Company, Cottonwood/Wilberg, ACT/015/019; Des-Bee-Dove, ACT/015/017; and Deer Creek Mines, ACT/015/018; Folder #2, Emery County, Utah

There are a number of permitting actions that are involved with the three Utah Power and Light Company mines. The lack of timeliness of submittals for the Five-Year Permit Renewals (Des-Bee-Dove and Deer Creek mines), and major permitting actions (Cottonwood/Wilberg Waste Rock Storage Facility and Rilda Canyon Lease Tract) is a serious concern to the Division. In order to avoid future conflicts, I would like to meet with you to discuss this issue.

Please call me or Pamela Grubaugh-Littig to arrange a meeting.

Sincerely,

Lowell P. Braxton
Associate Director, Mining
