Dear Mr. Smaldone:

Re: **Upper Access Road Blocked by Slide, Utah Power and Light Company, Des-Bee-Dove Mine, ACT/015/017, Folder #5, Emery County, Utah**

Attached is a Technical Memorandum that reviews the upper access road and the slide that occurred in January, 1990. The Division requires that vehicle access to the upper part of the property be maintained and the surface drainage remain open.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
