RE: DES BEE DOVE HAUL ROAD RECLAMATION STUDY, UTAH POWER AND
LIGHT (PACIFICORP ELECTRIC OPERATIONS), DES BEE DOVE MINE,
ACT/015/017, FOLDER #2, EMERY COUNTY, UTAH

This letter documents our telephone conversation of January 28, 1991, during which I requested a two week extension of the deadline for submittal of information related to the above referenced project.

I stated at that time, because of various permitting activities involving my staff, compilation of the information regarding the Haul Road Reclamation Study cannot be completed by January 31.

As was agreed, the requested information will be submitted by February 15, 1991.

I appreciate your consideration in this matter.

Sincerely,

J. Blake Webster
Permitting Administrator
