Re: Response to Deficiencies in Permit Transfer Information, Utah Power & Light Company (PacifiCorp Electric Operations) Des-Bee-Dove Mine, ACT/015/017; Deer Creek Mine, ACT/015/018; and Cottonwood Mine, ACT/015/019; Folder #2, Emery County, Utah

Dear Ms. Littig:

In response to deficiencies in the above-referenced permit transfer, we respectfully submit the following:

R-614-301-113.300 - Please find attached three copies of revised Page 1 of Exhibit C, Notice of Violation Information, including C.O. 90-20-2-1.

R-614-301-114.210 - We met with McKinnon Estate legal counsel on December 12. Trustees of the estate are considering our request following a December 26 meeting. We are waiting for their response.

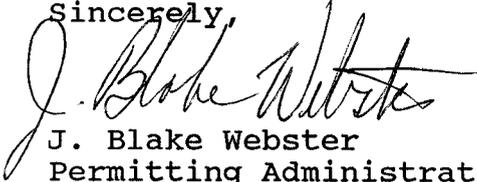

Response from the McKinnon Estate is an issue involving a single 80 acre parcel in the Des-Bee-Dove Permit area. Administrative completeness of the Deer Creek and Cottonwood Permit Transfers are fulfilled with the NOV information update. We request therefore that the permit transfers for Deer Creek and Cottonwood be allowed to proceed separately from Des-Bee-Dove.

We will submit written consent from the McKinnon Estate as soon as it is received.
