RE: REQUEST FOR EXTENSION OF 90 DAY ABATEMENT PERIOD, CO #C90-20-2-1, DES BEE DOVE MINE, EMERY COUNTY, UTAH

Dear Ms. Littig:

The normal abatement period for the above referenced cessation order is 90 days. Since our deficiency response was just submitted on February 7, 1991, we anticipate a review by your agency will take us well beyond the normal 90 days. We respectfully request an extension of the abatement period to accommodate DOGM's review and approval.

Yours truly,

J. Blake Webster
Permitting Administrator
