RE: Permit Transfer, Utah Power and Light Company (PacifiCorp Electric Operations), Cottonwood/Wilberg Mine, ACT/015/019, Deer Creek Mine, ACT/015/018, Des-Bee-Dove Mine, ACT/015/017, Folder #2, Emery County, Utah

I requested complete information before publication of the advertisement of the permit transfers. All information was received January 4, 1991 (except surface owner consent for the Des-Bee-Dove Mine).

As I re-read the rules on January 7, 1991, I realized that "complete" information for advertisement of the permit transfers was not required. I notified Mr. Blake Webster on that date. Utah Power and Light Company proceeded with advertisement on January 15, 1991. The permit transfer will be tentatively approved on February 15, 1991.
