Dear Mr. Manger:

Re: Request for Mr. Scott Fisher's Attendance

#2
As a means of demonstrating the reclaimability of PacifiCorp's Des-Bee-Dove (ACT/015/017) Haul Road, the permittee has proposed the construction of reclamation test plots. A task force is convening on November 12th and 13th, 1991, near Huntington, Utah to determine the test plot treatment practices employed.

Many state and federal agencies will attend. Therefore, I am requesting Mr. Scott Fisher's attendance at these meetings.

Please respond as soon as possible. Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Henry Sauer".
