Dear Mr. Payne:

Re: Inadequate Response to Permit Conditions, Des-Bee-Dove Mine, PacifiCorp Electric Operations, ACT/015/017, Folder #2, Emery County, Utah

The submittal dated April 24, 1992, as a response to the Division letter of March 12, 1992 is inadequate. Please submit complete and adequate responses to the Division in regards to these long outstanding permit conditions by May 15, 1992. If these responses are not addressed completely by that time, enforcement action may be taken.

If you have any questions, please call me.

Sincerely,

A handwritten signature in cursive script, reading 'Pamela Grubaugh-Littig'.
