RE: As-Built Test Plot, Des-Bee-Dove Mine, PacifiCorp,  
ACT/015/017, Folder #2, Emery County, Utah

Synopsis and Analysis

A site visit was conducted on April 7, 1993 by the Division to verify the test-plot "as built" information. The information submitted for Appendix XVI appeared to accurately depict that which was on the ground.

Recommendation

The test-plot "as-built" information should be accepted for inclusion into the permit.
