Re: Notice of Potential Liability for an Individual Civil Penalty

Dear Mr. Drummond:

The notice sent to you on January 25, 1994, regarding PacifiCorp's Des Bee Dove Mine is hereby withdrawn. The form for an imminent harm cessation order was incorrectly used and the second page of the form which includes the server's signature was omitted. I regret any confusion this may have caused.

Any further action is being held in abeyance pending the outcome of the administrative review by the Office of Hearings and Appeals.

Sincerely,

  
Robert H. Hagen, Director  
Albuquerque Field Office
