Re: Comments on Federal Coal Lease SL-066116, Des-Bee-Dove Mine, PacifiCorp, ACT/015/017, Folder #2, Emery County, Utah

Dear Mr. Jankiewicz:

The Division is in receipt of your letter dated February 1, 1994, regarding the re-adjustment of Federal Coal Lease SL-066116. This federal coal lease is located inside the Des-Bee-Dove Mine permit area. Plate 3-2 indicates that this lease is located in the Beehive Mine and there is approximately three-quarters of a year of room and pillar mining remaining to be mined in that lease.

This mine is in temporary cessation and is scheduled for its final permit renewal in August 1995. The Division notified PacifiCorp several years ago that temporary cessation would be allowed through only one more permit renewal.

If you have any questions, please call me.

Sincerely,

A handwritten signature in cursive script that reads "Lowell P. Braxton".
