*Copy RAM #2*

Dear Task Force member,

Due to unforeseen circumstances, that have now surfaced, the reconvening of this group scheduled for April 23, 1997 will be postponed until the fall of the year, sometime in September. A pre-determined date and time during September will be selected by Energy West and each member will be contacted and made aware, well in advance of that date.

Thank you for your continued support and assistance in dealing with the Mancos Shale issue and efforts to determine the best techniques and reclaiming capabilities that will produce a suitable and lasting reclamation project.

Sincerely,

A handwritten signature in cursive script that reads 'Richard Northrup'.
