Re: Extension of Time to Complete Division Order Regarding Postmining Land Use for the Des Bee Dove Haul Road, PacifiCorp, Des Bee Dove Mine, ACT/015/017-DO97A, Folders #2 and #5, Emery County, Utah

*Chuck*  
Dear Mr. Semborski:

The Division is in receipt of your December 30, 1997, letter discussing the need for additional time to resolve the disposition of the Des Bee Dove haul road and the associated Division Order. As you are aware, the Division has accepted the "Draft" concept and approach you submitted on December 1, 1997 and you will now need to submit the "official" revisions to the plan which were contemplated.

Considering the efforts Energy West has made toward resolving postmining land use issues associated with the road, the extension request to March 30, 1998, is approved. The Division appreciates your cooperation.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Lowell'.
