Re: Water and Gas Ejection Lines Amendment, PacifiCorp, Des-Bee-Dove Mine,  
ACT/015/017-96D, File #2, Emery County, Utah

Dear Mr Semborski:

On January 30, 1997, the Division approved the referenced amendment. As-built drawings of the construction area were approved May 22, 1997, and copies of these drawings were sent to you and appropriate agencies. However, there was a minor text change that was not sent out. Enclosed is a copy of a stamped page with this text change for insertion in your copy of the mining and reclamation plan.

If you have any questions please call me.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
