**Re: Removal of All Redlines and Strikeouts from Amendment to Complete the Division Order Regarding the Disposition of the Des-Bee-Dove Haul Road, and Postmining Land Use, PacifiCorp, Des-Bee-Dove Mine, ACT/015/017-D097A, Folders #2 and #5, Emery County, Utah.**

Enclosed is the "clean copies" of the Haul Road amendment dated April 30, 1998. The entire sections of Parts 1, 3, and 4 were included since page numbers changed as strikeouts were taken out. Please incorporate these pages in your copy of the MRP.

Also enclosed within Part 1 is the revised PacifiCorp Officers and Directors (see pages 1-4 through 1-8). Please accept these revised pages as included with this "clean copy" submittal. Amendments to our other MRP's with the revised PacifiCorp Officer and Director list is forthcoming.

Energy West appreciates the persistence and patience the Division gave in resolving the Haul Road transfer to Emery County. This letter finalizes the amendment to the Des-Bee-Dove MRP.

Sincerely,
