Re: Approval of Phase III Bond Release and Alternative Postmining Land Use for Des-Bee-Dove Haul Road, (Approval of Division Order and Midterm), PacifiCorp, Des-Bee-Dove Mine, ACT/015/017 - 98BR, ACT/015/017- MT97-1, ACT/015/017 - DO97- 1, Folder #3, Emery County, Utah

Chuck

Dear Mr. Semborski:

The bond release for the Des-Bee-Dove haul road is approved. This bond release represents 93.18 acres that will be removed from the Des-Bee-Dove Mine permit area due to the achievement of the alternative postmining land use of that road (i.e. from wildlife and grazing to wildlife, grazing, recreation, and industrial.) There is no change in the bond amount due to this final bond release.

This bond release approval also finalizes and approves the midterm and Division Order for the Des-Bee-Dove Mine. Thank you for your cooperation during this process.

Sincerely,

Lowell
