Re: Haul Road Bond Release, PacifiCorp, Des Bee Dove Mine, ACT/015/017-DO97A,
Folder #3, Emery County, Utah

Dear Mr. Semborski:

The Division has reviewed the information which was submitted on August 7, 1998 in regard to the above referenced action. There are still a few remaining deficiencies in the application which preclude us from approving the bond release. The two enclosed technical memos (Paul Baker and Priscilla Burton) describe the deficiencies and discuss those things that need to be completed prior to our approving your application for bond release. Please review the memos carefully and provide a response that addresses the deficiencies. We will expect your response by no later than September 18, 1998.

If you have questions, please don't hesitate to call me or the appropriate technical staff person.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock". The signature is written in a cursive style with a large, prominent 'D'.
