Record Title Assignments Approved
Sublease Agreements Approved
Relinquishment and Consent Filed by Lessee

On January 15, 1999, record title assignments of Federal coal leases U-040151, U-044025, and U-083066, entered into on November 12, 1998, between the Corporation of the Presiding Bishop of the Church of Jesus Christ of Latter-Day Saints (CPB), as assignee, and Cooperative Security Corporation, as assignor, were filed in this office.

Satisfactory evidence of the qualifications and holdings of CPB has been filed. The lease accounts appear to be in good standing inasmuch as the leases are not shown on the Minerals Management Service (MMS) list of leases with unpaid assessments. The assignee has agreed to keep and perform all of the assignor's covenants and obligations under the leases. Bond coverage for the three leases is currently supplied by the East Mountain Logical Mining Unit bond of \$3,253,000. Therefore, the assignments appear to meet the requirements of the regulations and are hereby approved effective April 1, 1999.
