Re: Permit Transfers Not Required for Change of Ownership, PacifiCorp, Trail Mountain Mine, ACT/015/009, Des-Bee-Dove Mine, ACT/015/017, Deer Creek Mine, ACT/015/018, Cottonwood/Wilberg Mine, ACT/015/019, Folder #2, Emery County, Utah

Dear Mr. Holmes:

This letter is a follow-up to our discussion on June 3, 1999 about the changes in ownership and control at PacifiCorp's Utah mines. The Division considers that a permit "transfer" is not required with mergers, stock transfers, and board and officer changes that do not require a change in permittee. The information you sent me in your fax would be considered an "amendment" to the currently approved plan.

If you have any questions, please call me.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
