RE: Replacement Certificates of Liability Insurance, Policy No. U0614A1A00, Policy Period from 8-1-2000 to 4-1-2002; Des-Bee-Dove Mine ACT/015/017, Deer Creek Mine ACT/015/018, Cottonwood Mine ACT/015/019 and the Trail Mountain Mine ACT/015/009, Folder #2, Emery County, Utah

Dear Pam:

We are in receipt of newly issued certificates by AEGIS. The certificates previously delivered to your office July 28, 2000 inadvertently had the wrong policy period. The intent was to match the policy period with the fiscal year of the our parent company Scottish Power. Therefore, enclosed are replacement certificates of liability insurance for the referenced coal mine operations for the policy period 8-1-2000 to 4-1-2002. Copies of these same certificates have been sent to our mine offices located in Huntington, Utah.

The enclosed certificates (on DOGM form Exhibit "C", the ACORD and AEGIS forms) for each mine are replacement pages for Exhibit "C" in the Reclamation Agreements for each mine. Should you have any questions or need any additional information, please feel free to contact me at 801-220-4612.

Sincerely,

Scott M. Child
Property Management Administrator
