Re: Conditional Approval of Legal, Financial and Reassignment of Permit Area Reduction, PacifiCorp, Des-Bee-Dove Mine, ACT/015/017-LF00B and AM00D, Outgoing File

Dear Mr. Semborski:

The above-referenced amendment initially received by the Division April 14, 2000 contains information for two permitting actions:

1. Updating the legal and financial portion of the permit for permit renewal
2. A reduction of the permit area

To facilitate the Des Bee Dove permit renewal and for our convenience I am splitting this amendment into two amendments. The legal and financial will remain LF00B and the permit area reduction will be assigned amendment number AM00D. The legal and financial portion includes all of Volume 1, excluding Plate 1-2.

Information submitted on August 3, 2000 for the permit area reduction, Attachments 3 through 6 and Plate 1-2 are now associated with amendment AM00D. No C1 or C2 form was submitted with your response, dated August 30, 2000. We do not know how this information is to be reviewed and inserted into the Mining and Reclamation Plan. Please provide this information.

The legal and financial amendment (LF00B) is conditionally approved upon receipt of :

- Seven clean copies for incorporation
- Currently approved permit area description (retention of the old)
- Submittal of the C1 and C2 forms
- Current proof of publication.
