PacifiCorp, by and through its wholly-owned subsidiary, Energy West Mining Company ("Energy West") as mine operator, hereby requests a 60 day extension to the above amendment. The extension is requested until August 15, 2001.

Energy West appreciates the immediate action the Division took in reviewing the Phase I Reclamation Plan for the Des Bee Dove Mine. However, due to circumstances out of our control, we are forced to request this extension to respond to the April 20, 2001 deficiencies.

If you have any questions or concerns with this request please call me at (435) 687-4720 or Dennis Oakley at (435) 687-4825.

Sincerely,

for 
Dennis Oakley
