Attn: Pam Grubaugh-Littig

Subject: **Extension Request for Responding to Deficiencies to the Des Bee Dove Phase I Reclamation Plan, PacifiCorp, Des Bee Dove Mine, C/015/017-AM01A, Emery County, Utah.**

PacifiCorp, by and through its wholly-owned subsidiary, Energy West Mining Company ("Energy West") as mine operator, hereby requests a 30 day extension to the above amendment. The extension is requested until September 17, 2001.

Energy West has contracted slope stability investigations to an outside consultant and has not received their report as of this date. These investigations are necessary for responding to certain deficiencies in the April 19, 2001 technical analysis.

If you have any questions or concerns with this request please call me at (435) 687-4720 or Dennis Oakley at (435) 687-4825.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Charles A. Semborski'.
