Re: Reclamation Submittal Should be Soon to Meet Proposed Fall Schedule, PacifiCorp,  
Des Bee Dove Mine, C/015/017, Outgoing File

Dear Mr. Semborski:

It is our understanding that the Upper Pad reclamation at the Des Bee Dove Mine has been postponed and will not be undertaken until fall 2001. This was a high priority for the Division and deficiencies regarding this reclamation proposal (submitted March 30, 2001) were identified in a letter to you on April 20, 2001. We are still awaiting your response to these deficiencies.

It is also our understanding that the remainder of the reclamation at Des Bee Dove Mine is scheduled for this fall. In order to meet your timelines for fall reclamation, please submit the remainder of the reclamation plans for this site soon.

We look forward to working with you on this reclamation project. If you have any questions, please call me at (801) 538-5268 or Susan White at (801) 538-5258.

Sincerely,
