Re: Soil Sampling, PacifiCorp, Des Bee Dove Mine, C015/017-AM01B, Outgoing File

Dear Mr. Semborski:

The Division received an application to add soil sampling to the Tipple Pad Excavation Project. We anticipate completing this review by June 26, 2001. Priscilla Burton has been assigned as the team lead on this project. Copies are being forwarded to the Office of Surface Mining, Bureau of Land Management, and the U.S. Forest Service for their review and concurrences.

If you have any question, please call Priscilla at (801)-538-5288 or me at (801) 538-5268.

Sincerely,
