Subj: Request for an Extension to Respond to the Deficiencies related to the Phase 2 application, PacifiCorp, Des-Bee-Dove Mine, C/015/017-AM01D.

PacifiCorp, by and through its wholly-owned subsidiary, Energy West Mining Company ("Energy West"), hereby requests an extension for responding to the above referenced deficiencies from the January 15, 2002 document. Energy West has been working with the subcontractor who originally provided the data to revise the post reclamation base maps and corresponding mass balance data. Energy West requests that the Division grant a 30 day extension with the responses due April 29, 2002. The extension request will allow Energy West time to incorporate the revised data from the engineering subcontractor.

If there are any concerns with this request, please call me a (435) 687-4720 or Dennis Oakley at (435) 687-4825.

Sincerely,

*Charles A. Semborski*
