### Coal Lease Relinquishment Accepted

Requests for relinquishment of Federal coal lease U-066116 were filed in this office April 24, 1992, and May 15, 1995, by PacifiCorp, the lessee. The original lease contained 520.00 acres. The requests totaled 520.00 acres. On December 14, 1995, BLM accepted the relinquishment of 160.00 acres of undisturbed lands from the 520.00 acres requested. After reviewing the administrative record for this lease, BLM will accept relinquishment of the 360.00 acres remaining.

In accordance with 43 CFR 3452.1-3, the following lands are hereby accepted as relinquished as of April 24, 1992, and May 15, 1995. BLM has determined that this relinquishment is in the public interest, that the accrued rentals and royalties have been paid and that all obligations of the lessee under the regulations and the terms of the lease have been met. The relinquished lands are subject to any reclamation actions deemed necessary under the requirements of the SMCRA permit. Application for refund of excess rental paid after the acceptance dates should be made directly to the Minerals Management Service, Solid Minerals Staff, MS390B2, Box 25165, Denver, CO 80225.

The relinquished and retained lands are described as follows:
