Subject: Relinquishment of ROW at Des-Bee-Dove C/015/0017, Task ID #2019

We received and reviewed your letter to Energy West about the Des-Bee-Dove Right of Way Permit C/015/0017, Task ID #2109.

Steve Falk and Sue Burger said they participated in the inspection the pond areas in June 2004. Based on their inspection and evaluation, BLM supports the proposed relinquishment.

Thanks,
Jeff M.
