Re: Response to Deficiencies from Division on the Legal and Financial Information, for the Cottonwood/Wilberg Mine, C/015/019, Deer Creek Mine, C/015/018, and Des Bee Dove Mine C/015/017, and Trail Mountain Mine C/015/009, Emery County, Utah, Task #2047.

PacifiCorp, by and through its wholly-owned subsidiary, Energy West Mining Company ("Energy West") as mine operator, hereby submits updated information for the supplemental volume entitled "Supplemental Volume, Legal and Financial Information". This information is in response to the deficiencies that were received from the Division on December 29, 2004. The deficiencies were the result of the October 4, 2004 submittal of BLM lease relinquishment decision documents for the Supplemental Volume 1 - Phase I, II, and III Lease Relinquishment Information. As the deficiencies only required updating lease information in Appendix C of the Legal and Financial Volume, the entire volume needed updated to reflect current information.

Included with this submittal are seven (7) complete copies for Division review. C1/C2 forms are also included. If there are any questions or concerns regarding the submitted information, please feel free to contact myself at (435) 687-4720 or Dennis Oakley at (435) 687-4825.

Sincerely,

Chuck Semborski

The following responses to deficiencies are formatted as found in the technical analysis document. They are broken down into logical section headings similar to the R645 regulations.
