Dear Mr. Semborski:

The above-referenced amendment is conditionally approved upon receipt of seven clean copies prepared for incorporation. Please make sure the reference pages indicate that the information has been moved to the Confidential Binder located in the Public Information Center of the Division of Oil, Gas & Mining, Salt Lake City office. Please submit these copies by November 14, 2005. Once we receive these copies, final approval will be granted, at which time you may proceed with your plans.

A stamped incorporated copy of the approved plan will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan. A copy of the updated Master Technical Analysis is being prepared for Task # 2323, Appendix XVI: Phase 3 Area Reclamation Plan which will also incorporate changes made for this amendment.

If you have any questions, please call me at (801) 538-5268 or Jim Smith at (801) 538-5262.

Sincerely,

Pamela Grubaugh-Littig
