Subject: Transmittal of Phase III Bond Release, Task ID#2625, Des-Bee-Dove Mine

Pam/Wayne:

Tom Lloyd and I have reviewed the package on the Phase III Bond Release for the Des-Bee-Dove Mine that you sent us, dated Sep. 1, 2006. We have no comments on the package. We support the bond release so that XTO may start drilling their well. Please call me if you have any questions.
