Subject: Transmittal of Post Mining Land Use Change, Task ID #2606, Des-Bee-Dove Mine

Pam/Priscilla:

We have no objection to the post mining land use change for the area described for the Des-Bee-Dove Mine. These changes are consistent with the Manti-La Sal National Forest Land and Resource Management Plan. A copy of our letter to PacifiCorp explaining this is included in the transmittal.

Please let me know if you need any additional information.
