Subject: Des-Bee-Dove Maps Affected by Permit Boundary Reduction

Pam,

As you requested, the following are the listed maps in the Des-Bee-Dove MRP that will be affected by the Phase III Bond Release (disturbed area) and the recent submittal for permit boundary reduction.

Volume 3: 1-3, CM10368-BH; 1-4, CM-10371-DS; 1-5, CM10-658-DS; 1-6, CS1740D; 2-12, CE-10490-DS; 2-14, CE-10502-DS; 2-17A, CM-10596-DS; 2-18A, CM-10544-DS; 2-18B, CM-10903-DS;

Confidential Volume: 2-17B, CM-10586-DS

Appendix XIV Phase 1 Reclamation Plan: 2-15, CM-10336-DS (2 places in soils section)

Appendix XV Phase 2 Reclamation Plan: 200-1, 200-2, 300-1, 500-1, 500-3

These maps will be amended and submitted for approval following approval of the Des-Bee-Dove permit boundary reduction.

Also, I might suggest that the following maps be removed from Volume 3: 3-7, CM-10380-DS; 3-8, CM-10380-DS

and Volume 4: 3-9; 3-10, CM-10392-DS; 3-11, Runoff Conveyance Plan (7 maps); 4-1, CM-10393-DS (5 maps); 4-3, CM-10482-DS; 4-4, CM-10553-DS

These maps no longer have any merit in our permits and could be confusing to any public looking at our plan. Please advise for their removal.

Sincerely,

Dennis Oakley C.P.E.S.C.
