Subject: Request for OSM Concurrence - Phase III Bond Release, Task ID #2714,
PacifiCorp, Des-Bee-Dove Mine, C/015/0017

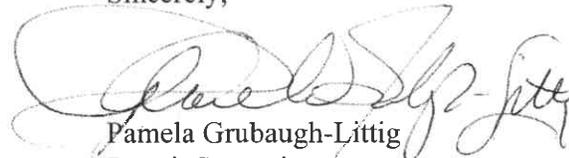

Dear: Mr. Fulton:

I am enclosing the Division's Decision Document for Phase III bond release on a portion of the Des-Bee-Dove Mine. The Permittee requests Phase III bond release on 2.52 acres associated with the pumphouse site and the reclaimed haul road. The Permittee did not request a bond reduction for the Phase III reclamation.

The current bond is for \$1,837,712. The Permittee does have a Phase I bond release action on 29.5 acres associated with the mine facilities for the main mine areas. The Permittee requests a 60% bond release (\$667,994) on the \$1,113,324 bond associated with the Phase I bond release portion of the mine area.

If you have any questions please call me at (801) 538-5268 or Wayne Western at (801) 538-5263.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
