Report summary and status for pending enforcement actions, permit conditions, Division Orders, and amendments:

The permittee will be taking the final vegetation study this year. This is year 10 in reclamation of the Des Bee Mine site. The permittee plans next summer to submit an amendment for Phase III bond release.

The site is starting to green up. The site is stable with no changes since the last inspection.

The site is totally reclaimed using all available soil.

The permittee received Phase II bond release.

1. Permits, Change, Transfer, Renewal, Sale

There are no permitting actions taking place with the Division at this time. This is year 10 in reclamation of the Des Bee Mine site. The permittee plans next summer to submit an amendment for Phase III bond release.

2. Signs and Markers

The identification sign is located on the path to the reclaimed site. It contains all the required information to meet the minimum requirements of the R645 Coal Rules.

3. Topsoil

All topsoil was used in reclamation. The site appears to be stable with vegetation. The site receive some water in the past couple of weeks.

4.a Hydrologic Balance: Diversions

I inspected the diversions. The diversions were stable and open. They would function during a rainstorm event.

4.c Hydrologic Balance: Other Sediment Control Measures

The site is completely pock to prevent sediment from leaving the site and to help with the growth of vegetation by collecting the water during a rain storm.

8. Noncoal Waste

The reclamation site was clear of non-coal waste materials.

10. Slides and Other Damage

I did not see any slides or other damages during the inspection.

12. Backfilling And Grading

Des Bee Dove is completely backfilled and graded. It is my opinion that this site meets AOC requirements.

13. Revegetation

The permittee will be taking the final vegetation study this year. This is year 10 in reclamation of the Des Bee Mine site. The permittee plans next summer to submit an amendment for Phase III bond release.

21. Bonding and Insurance

The insurance will expire on October 1, 2013. The company affording coverage is ASSOC. Electric & Gas Ins Serv. LTD. The bond amount is \$511,000. The reclamation agreement was inspected and was signed by both parties.
