Good morning,

Daron has received and reviewed the public notice regarding the phase II and III bond release application for the Des Bee Dove Mine. It's good to go. Please proceed with contacting the local newspaper and begin publishing. Just as a reminder, the public notice needs to run at least once a week for four successive weeks.

We look forward to seeing you on May 28th at 10:30 a.m. at your office.

Regards,  
Steve
