Subject: Termination of Jurisdiction, PacifiCorp, Des Bee Dove Mine, C/015/0017, Emery County, Utah

Dear Mr. Child:

This letter is in response to your inquiry regarding the Division's Termination of Jurisdiction at the Des Bee Dove mine pursuant to R645-100-450.

The Division finds that PacifiCorp has completed all of its requirements under the regulatory program and has approved the final Phase III bond release for this permit. This action terminates the Division's jurisdiction at this site effective August 7, 2014. The Des Bee Dove mine will now be removed from the Division's Inspectable Units list.

Thank you for your help in completing the requirements of the Utah Coal Regulatory Program at the Des Bee Dove mine.

Sincerely,

Daron R. Haddock
Coal Program Manager
