Salt Lake City, Utah 84070

Dear Mr. Thompson:

Attached to this letter you will find 3 copies of maps, calculations, and tables from Roberts & Schaefer that show and define the route of the additional diversion pipe. The purpose of this submittal is to show how the diversion culvert will bypass the sediment ponds.

This submittal was requested by you and Mike Minder at Roberts & Schaefer's office. If we can do anything else to help clarify our proposed plans, please give me a call.

Yours truly,

Karl D. Gurr
