

October 20, 1978

Mr. Larry Damrau
Denver Regional Office
Room 270
Old Post Office Building
1823 Stout Street
Denver, Colorado 80202

Dear Larry:

Enclosed are Utah Power and Light's ~~most recent~~ submittals concerning sediment control at the Deer Creek Mine (ACT/015/18-A) in Emery County, Utah. These are construction detail plans. ~~Plans for the Deseret-Beehive-Dove (Church, ACT/015/017) mines will be submitted to us next week, a copy will be forwarded to your office.~~

Also enclosed is information you requested on October 18, 1978 concerning U.S. Fuels and SUFCO. Large maps could not be copied; however, SUFCO has been requested to submit additional copies for your office's review.

Plans for Swisher's Castle Valley Spur load-out facilities should be received shortly, and a copy will also be forwarded to your office.

Sincerely,

K. MICHAEL THOMPSON
ENGINEERING GEOLOGIST
