Memo to Coal File:

RE: Utah Power & Light Company
Hydrologic & Subsidence Monitoring
ACT/015/018A and B
Emery County, Utah

On June 25, 1980, a meeting was held at the Utah Power and Light Company Office at 41 North Redwood Road, Salt Lake City, Utah for the purpose of discussing the hydrologic and subsidence monitoring plans. The following persons were in attendance:

T.W. Forsgren	Utah Power & Light Company	1407 W.N. Temple
Carly Burton	Utah Power & Light Company	1407 W.N. Temple
Thomas Suchoski	Division of Oil, Gas and Mining	1588 W.N. Temple
D. Wayne Hedberg	Division of Oil, Gas and Mining	1588 W.N. Temple
John Nadolski	Office of Surface Mining	1020 15th Street, Denver, Colorado
M. Heward	Utah Power & Light Company	41 N. Redwood Road
Jerry Vanneti	Utah Power & Light Company	41 N. Redwood Road
Chris Shingleton	Utah Power & Light Company	41 N. Redwood Road
E.S. Crawford	Land Owner	1809 Yalecrest Ave.
Robert Yohnke	Attorney	59 E. Van Buren, Room 1600, Chicago 60601 #312-939-1530
N.S. Carlile	U.S. Forest Service	350 E. Main, Price
Fred Thompson	U.S. Forest Service	350 E. Main, Price

Utah Power & Light Company was given a description of the concerns that the Office of Surface Mining had with the water monitoring program. The Forest Service had concerns about surface water and subsidence as did Mr. Crawford.

THOMAS J. SUCHOSKI
ENGINEERING GEOLOGIST
