Inspection Memo
to Coal File:

RE: Office of Surface Mining Field Trip
Valley Camp Coal - Belina Mine
Beaver Creek Coal - Gordon Creek #2, 3 & 6
Utah Power and Light Company,
Deer Creek Mine & Cottonwood Portal
Forest Service Meeting
U.S. Fuel Company - King Mines
UNC Plateau - Star Point Mine

Tom Suchoski, of the Division, accompanied John Nadolski, of the Office of Surface Mining, on a familiarization tour of Utah's operations, on March 17 - 19, 1980. The Office of Surface Mining had several questions for these operations and this familiarization will aid Mr. Nadolski in complimenting his review of the plans with a first hand knowledge and consideration of the area and sites.
