Attention: Lynn Kunzler

Dear Mr. Kunzler:

In reply to your letter of February 26, 1982 and your telephone recommendation on March 5 concerning powerline raptor protection, we wish to request a survey of existing powerlines at the Wilberg, Deer Creek and Des-Bee-Dove Coal Mines in Emery County. This survey to be conducted by the United States Fish and Wildlife Service is to obtain their recommendations for powerline raptor protection.

Please advise if we can be of any assistance.

Yours truly,
