RE: Utah Power & Light Company
Deer Creek Mine
ACT/015/018A
Emery County, Utah

On September 27, 1982, Cy Young, Ev Hooper, Tom Tetting and Tammy Balkenbush of DOGM met with Val Payne of Emery Mining Company to tour the Deer Creek Mine's surface facilities. Since the ACR for this mine has just been completed, the purpose of the tour was to familiarize members of the review team with the surface facilities and disturbances associated with underground mining. Reclamation procedures were discussed for the highwalls and drainage areas.
