RE: MRP Review--Apparent
Completeness Review
for UP&L's Deer Creek
Mine

Dear Jim:

We have evaluated Utah Power and Light Company's response to the apparent completeness review for the Mining and Reclamation Plan at the Deer Creek Mine. Enclosed are the Division's specific comments and recommendations. Generally speaking, the company adequately recognizes wildlife values associated with their project and proposes a sufficiently detailed and specific mitigation plan.

Thank you for an opportunity to review the MRP and provide comment.

Sincerely,

Douglas F. Day
Director
