Dear Joe:

Per our telephone conversation this date, March 16, 1983, I am requesting an extension of one week to March 31st for submission of plans on the C-2 Conveyor at our Deer Creek Mine.

This extension is requested to give us time to prepare plans after our joint meeting which is to be held on March 23rd.

Your attention to this matter is appreciated.

Sincerely,

Larry J. Guymon
Manager of Construction Engineering
