Deer Creek Waste Rock Disposal  
Deer Creek Mine  
ACT/015/018 Folder #3  
Emery County, Utah

Dear Mr. Klein:

Enclosed for your information is a copy of Utah Power & Light Company's (UP&L) Waste Rock Disposal revision for the Deer Creek Mine. Since this is merely an extension of the current site and minor in magnitude we will proceed with the review in house due to its emergency nature. We will copy you with our concerns and UP&L's responses.

Should you have any questions regarding this matter, please contact the Division.

Sincerely,
