Dear Mr. Klein:

Enclosed please find seven copies of Utah Power & Light Company's (UP & L) response to DOGM's concerns with the Deer Creek Mine Waste Disposal System. Also included are copies of maps which were requested. Due to the emergency nature and the minimal amount of surface disturbance, this has been reviewed and approved by DOGM (see copy of our letter dated October 22, 1983).

Should you have any questions regarding this matter, please contact the Division.

Sincerely,
