RE: Response to Mining and Reclamation Plan Deficiencies, Utah Power & Light Company, Deer Creek Mine, ACT/015/018, #2, Emery County

In Reply Refer To Case No. E417

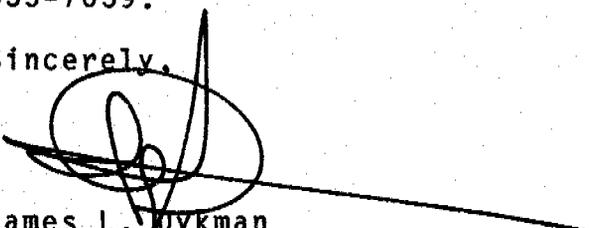

Dear Ms. Boucek:

The Utah Preservation Office has received for consideration your letter of October 16, 1984, concerning a response to the mining and reclamation plan deficiencies, Utah Power & Light Company's Deer Creek Mine. After review of your letter, and the attached material, our office notes no update of cultural resource management information, and therefore our office has no comment.

Consultation provided in this letter by authority of the 1966 Preservation Act as amended, does not indicate approval or comment concerning Tax Act regulations (reference ERTA, 1981, P.L. 97-34, U.S.C., Section 46).

Since no formal consultation request concerning eligibility, effect or mitigation as outlined by 36 CFR 800 was indicated by you, this letter represents a response for information concerning location of cultural resources. If you have any questions or concerns, please contact me at 533-7039.

Sincerely,

  
James L. Dykman  
Cultural Resource Advisor  
Office of State Historic  
Preservation Officer
