RE: U.P. & L's Response to ACR for MRP at Des-Bee-Dove, Deer Creek, and Wilburg Mines.

Dear Diane:

The Division has evaluated Utah Power and Light Company's December 12 and 23, 1983 revised responses to the Apparent Completeness Review for the Mining and Reclamation Plan at the Des-Bee-Dove, Deer Creek, and Wilburg Mines. Our comments remain the same as those recently (January 27, 1984) provided for their November 21, 1983 revised response to the ACR.

Thank you for an opportunity to review the MRP, and provide comment.

Sincerely,

Day
Douglas F. Day
Director
