Creek Mine, ACT/015/018
#2, Emery County, Utah

Dear Mr. Daniels:

This office has completed its review of the above-mentioned response transmitted in your letter of February 1, 1985. It is my opinion that adding the oil skimmer to the outlet for the storm water impoundment will not adversely affect the stability of the embankment. Previous approvals are still valid and now include this change.

Sincerely,

Robert L. Morgan
